Title: Member Protection and Child Safe – Club Toolkit
Document ID: C22065
Department: Development
Audience: Club Presidents, Secretaries, Club Captains, Junior Contacts, Youth Coordinators, MPIOs, Child Safe Officers
Date: 28 November 2022

Summary:	A Club Toolkit has been developed to assist Clubs with a “one-stop-shop” for all Member Protection
Action:	<ul style="list-style-type: none">Continue to retain Member Protection & Child Safe as a regular agenda item at Club Board and other committee meetingsUtilise the Club Toolkit as your reference guide for information & access to related Member Protection and Child Safe policies and documents

A Club toolkit has been developed to assist Member Protection Information Officers, Complaint Managers, Child Safe Officers and Club Boards/Committees to:

- structure a team that is able to deal effectively with member protection issues
- provide current, easy to follow and relevant information regarding member protection & child safe
- be a “one-stop-shop” for all related policies, resources and documents.

The [Member Protection and Child Safe – Club Toolkit](#) is found [HERE](#) on the SLSSA website

The toolkit covers the following key areas:

- Why is member protection important?
- The role of the Club Board/committee
- Member Protection team
- Member Screening
- Member Protection
- Child Safe
- Complaints Management

Please share this link to the relevant Club personnel and use it as your guide for Member Protection and Child Safe policies, practices and compliance.
