We are writing to express our sincere appreciation for your dedication and hard work in nurturing our Surf Sports athletes here in South Australia. The passion and commitment you have shown in developing the skills and talents of our athletes have not gone unnoticed.

To enhance the progress and provide our athletes with the best opportunities to excel, we are excited to announce our plans for the establishment of a State High Performance program.

To accomplish this ambitious goal, we firmly believe that your valuable expertise and experience are indispensable in the formation of a robust high-performance structure. We are eager to assemble a team of dedicated coaches and high-performance managers who share our vision of elevating the standard of Surf Sports in South Australia. Your role as a coach/manager has been instrumental in shaping the athletes' skills, character, and discipline, and we are confident that your involvement in the State High Performance program will be a game-changer for the sport in our state.

The primary objectives of the State High Performance program will include:

- Identifying and nurturing talented surf sports athletes across various disciplines.
- Providing specialized training, resources, and support to help athletes reach their full potential.
- Creating a cohesive and collaborative environment where athletes and coaches can learn from each other and grow together.
- Representing South Australia at national (and potentially international) Surf Sports events and competitions, such as the Australian Interstate Championships and Super Surf Teams League.
- Elevating the overall performance and reputation of surf sports in our state.

Your dedication and passion for surf sports are what we seek to capitalize on to realise these objectives. We encourage you to express your interest in being a part of the team and actively contribute to the formation of a structured and comprehensive high-performance program.

Please let us know your interest by filling out the form at the link below. Feel free to share this opportunity with any other qualified coaches who may be interested in joining this endeavour.
