WATER SAFETY & RISK MANAGEMENT

The Safety & Emergency Committee will meet prior to the start of the carnival to determine any final procedures regarding water safety and risk management.

If, at any stage prior to or during competition, there is a credible basis for concluding there is an unreasonable risk of serious injury occurring, the Safety & Emergency Committee and/or appropriate officials shall suspend all or parts of the competition. The Safety & Emergency Committee shall then decide whether to postpone, cancel or relocate all or parts of the competition. Should a risk assessment indicate that part, or all of the competition, not be conducted because of adverse weather or surf conditions, or another threat, the Competition and Safety and Emergency Committees will again decide whether to postpone or cancel all or parts of the competition.

Shallow Water Rescue

As part of the emergency management, a shallow water response team will be gathered if the need arises. The team will comprise **SKILLED SWIMMERS** and clubs are required to nominate such persons (competitors, coaches, officials, other members) when completing the Team Manager information & declaration.
