<b>Summary:</b>	SLSSA is seeking Expressions of Interest from Clubs for carnival venues and hosting.
<b>Action:</b>	<ul style="list-style-type: none"><li>• Consider your Club's beach suitability for the different event types</li><li>• Liaise with other clubs as required/relevant for shared hosting</li><li>• Complete the <a href="#">form</a> with details</li></ul>

With the Surf Sports event dates now confirmed & available [here on the SLSSA Calendar](#), we are now looking to confirm venues.

To this end, Clubs are invited to submit Expressions of Interest for any events they would like to be considered for hosting during the 2024/25 season. A list of event types, dates & requirements can be found overleaf.

**All clubs are encouraged to assist in this regard to help share the load and co-hosting is encouraged.**

With the varying impact on Club resources and associated costs, SLSSA will provide support (logistics/financial) for Clubs based on specific event needs. The general expectation is for the host club to provide a work party, furthermore all participating Clubs will be required to assist with water safety & officiating duties relevant to their size and will be rostered as such.

We are also interested to hear about the following from clubs interested in hosting events;

- As a host club what can you potentially provide as an added experience for event attendees (competitors / parents / spectators VIP's (if there were to be any attending).
- Event Logistics Support – getting the beach track flattened, transport of trailers on/off beach. Setting cans in the water the night before etc.
- Catering example for officials & IRB water safety

**To submit an Expression of Interest please [click here to complete the form](#)**

**BY NO LATER THAN 10am, Friday 31 May 2024**
