

SLSSA's Youth Pathways

ECOSURF AMBASSADORS

Eco SURF

[EOI open, via online form](#)

Cost: Nil

Team size: any

Age group: (U14 and older - no age limit)

Includes: Webinar training and educational resources

Surf Clubs are custodians of the coast. It is our playground and we have a responsibility to protect and take care of it. SLSSA has established new agreements with Plastic Free SA, Adopt-a-Spot Scheme and Sports Environment Alliance.

Clubs are encouraged to explore and activate these partnership, especially via their young and passionate members. Although these are Club lead activation's, SLSSA will assist however possible with information sharing and administrative support.

Clubs may encourage their youth members who are passionate about environmental issues to take an EcoSurf Ambassador role within the Club and assist with:

- Nipper environment education
- Lead rubbish clean ups of the local area
- Representation and petitioning to local Council
- Connecting with local environmental groups
- Other youth-led EcoSurf initiatives
